ALL-NEW 2015 MURANO

UPSCALE HAS JUST BEEN ONE-UPPED.

The newly enhanced 2015 Nissan Murano is nothing less than elegant. While we could have stopped at its inviting, plush leather-appointed seating¹, concept car styling, eye-catching 8" multi-touch display¹ and front and rear¹ USB ports, we kept going. And the outcome -- a more comfortable, more premium crossover that will transport you both physically and mentally.

Breathtaking Design | Premium Interior | Purposeful Technology
